

Belongs To You
Emerson Drive

This is an awesome song(of course it is or I wouldn t be tabbing it lol).
Anyway,
I tried to figure out the intro. Yeah, I know it s on piano, but it s on
acoustic
guitar in the background.

Capo 1

Intro: (x2)

```
e|----2-0-----|
B|--0-----4h5-4h5-4-0--|
G|-----|
D|-----|
A|-----|
E|-----|
```

```

B                C#m                B                A
I wasted so much time believing that in this life
      B          E
You try to get all you can take
B                C#m
When all along what I ve been needing
      B                A
Was to find just one good reason
      F#m                C          D          E
To give myself, really give myself away
```

(Chorus)

```

E                B
Every smile that lights my face
                        C#m
Every teardrop, every trace
      B                A
Every secret hidden place
      B          E
Belongs to you

                        B
Anything that s good in me
                        C#m
All I ever hope to be
      B                A
Every drop of every dream
      B          E
Belongs to you
```

(Intro)

B **C#m**
You know the me that I remember
B **A** **B** **E**
Always thought you had to keep it all inside
B **C#m**
You get in trouble being tender
B **A**
So you never say surrender
F#m **C** **D** **E**
But it took you to finally prove me wrong

(Chorus: end on **F#m**)

F#m **B**
I m letting go I m letting go now
D **C** (ring out)
Of everything I ve ever held onto
E **B**
Every place I ve ever been
C#m
Every chance I ll get again
B **A**
Every secret every sin
B **E**
Belongs to you
B
Anything that s good in me
C#m
All I ever hope to be
B **A**
Every drop of every dream
B **E**
Belongs to you
