FIX ME by Emery

VERSE:

Em **C**
We ve all got something to say,
G **D/F#**
when we open our mouths we find someone to blame
Em **C**
We all have demons to face.
G **D/F#**
Situations evolve into something we can t explain

Fill in: **Em-C-G-D/F#-**

Em **C**
It s like a thorn in my mind
G **D/F#**
Digging deeper and deeper and killing the love that it finds
Em **C**
The heart s a complex machine
G
When it breaks it takes more
D/F# **C**
than the doctors and technology to

CHORUS:

G
Fix me, can you fix me?
D **Am**
I ve been waiting so long to feel this heartbeat
C **G** **D**
Will we ever really believe?
Am **C**
We re just caught in the thought that we deserve to be free

VERSE: same chord pattern

Love s not a gift to repay
With a handful of money, or words we can say
There is no proper remark to be made that can change
or determine who we really are

CHORUS: (**Em-C-G-D/F#-**)

Fix me, can you fix me?
I ve been waiting so long to feel this heartbeat
Will we ever really believe?
We re just caught in the thought that we deserve to be free

BRIDGE:

C

Screaming at the top of my lungs

Am

Does it make me understand what you ve done?

F

How could I ever question you?

Bb

How could I ever doubt what you do?

C

Maybe this will tear me apart

Am

But maybe I ll go back to the start

F

Bb

And honestly I can t believe that this is really happening

CHORUS: (**C-G-D-Am-**)

Fix me, Jesus, fix me
I ve been waiting so long to feel this heartbeat
Will we ever really believe?
We re just caught in the thought that we deserve to be free
Fix me, Father, fix me
I ve been waiting so long to feel this heartbeat
Will we ever really believe?
We re just caught in the thought that we deserve to be free
