Am

Show your face С Don t hide Take off the mask now F Underneath is a deep dark secret Am С Take me for a ride Upon your white horse F Take your love Cause I don t want to keep it Am I am out of place F And honey you are out of Time Am C I d tell your fortune Ε But the words don t rhyme F C I m not your chambermaid Е Am You re not my lord F C All the fine games we played Е Am Have left me bored \mathbf{F} G I never want to see you come around my castle E Am Cause I just can t afford to love you \mathbf{F} I m not your chambermaid E Am You re not my lord

Am C Tell me what I have to do to make you F Understand it s a lost cause, lover Am C Tell me while you re at it how it feels to F Hold me close when you ve been thinking of her C Am I don t want to hear you say you love me F You ve been gone such a long time Am Won t you turn around C Before I have to see this F Face I once adored Am Don t you see? I am out of place F And honey you are out of Time Am C I d tell your fortune Е But the words don t rhyme F C I m not your chambermaid E Am You re not my lord F C All the fine games we played E Am Have left me bored F G I never want to see you come around my castle Ε Am Cause I just can t afford to love you \mathbf{F} I m not your chambermaid Е Am You re not my lord Am Е Am You have no hold over me C F What s in your cards, now? let me see
