A
(Intro chord during the Loli, Loli ta.... Loli Lolita....)

Em
How old are you?
Am
I m older than you ll ever be
D
I ve been dead a thousand years
C
And lived only two or three
Em
I don t mind telling you
Am
My life was ended by your hand
D
The kind of murder where nobody dies
C Em
But I don t suppose you d understand

(Call off the search

We ve found her)

D
If I am Lolita
C
Then you are a criminal
Em
And you should be killed
C Am
By an army of little girls
D
The law won t arrest you
C
The world won t detest you

You never did anything

G

Any man wouldn't do

F

I'm Gothic Lolita

C

And you are a criminal

Em

I'm not even legal

C

Am

I'm just a dead little girl

D

But ruffles and laces

C

And candy sweet faces

E

Directed your furtive hand

G

G

Am

Em

Am

I perfectly understaaaaaaaaaaaaaaaaaaaaand

F

So it's my fault?

G

D

No, Gothic Lolitaaaa

Em

Thank you, kind sirs

Am

You've made me what I am today

D

A bundle of broken nerves

C

A mouthful of words

Em

I'm still afraid to say

Am

I don't mind telling you

D

Now that I'm old enough to love

C

I couldn't begin to even if

C

My pretty life depended on it

Em

And funny thing, it does
