

One Foot In Front Of The Other

Emilie Autumn

G C
How did I get myself into all of this mess?
Em D
How did I end up with this deadly home address?
G C
How did I come to this when every song I sing
Em D
is nothing but a list of pain and suffering?

G C
We never will forget, and no, we will not forgive.
Em D
We walk along to die, yet we don t know how to live.
G C
How do we change our world to what we want it to be?
Em D
How do we move beyond all of this misery?

G C
One foot in front of the other foot
Em D
In front of the one foot in front of the other foot
Am C
In front of the one foot in front of the other foot in front of the

G C
I ve been in chains since I was nothing but a kid
Em D
We don t know freedom, not quite sure if we ever did
G C
Now that we ve found it, how do we make use of it
Em D
We ve been committed, now to what do we all commit?
G C
I used to have a home, now I donâ€™t even have a name
Em D
I m nothing but a number, here we are all the same
G C
We ve lost so much, so many of those we love are dead
Em D
How do I get these memories out of my fucking head?

G **C**
 How do we bear this burden far too much to carry?

Em **D**
 How do we change the prison to a sanctuary?

G **C**
 We've been kept from the light, no one ever gave a damn

Em **D**
 If I've no one to fight, how do I know who I am?

G **C**
 We waged a war with hell, and look, we still survive.

Em **D**
 But just because we live does not mean that we're alive.

G **C**
 We've won the final round, but how to enjoy the win?

Em **D**
 When we've been broken down and we'll never know what could've been

D **G**
 Heaven help us, where do we begin?
