

Save You

Emilie Autumn

Intro:

Am F C G

Am F C G

Am

How do I save you from a fate so sweet

F C G

As being torn to pieces by a loving hand

Am

How do I save you from a voice so soft

F C G

As that which acquiesces to your each demand

Am

How do I look upon the eyes I love

F C G

And send them down this path, I know it isn't right

Am

How do I make you realize my love

F C G

That there is more to fear than strangers in the night

Chorus:

C G F G

How do I save you

C G F G

How do I set you free

Am C F G

Behind the curtain waits a darker world

C G

If I can't make you leave

F G Am

How can I save you from me

Am F C G

Am

I think you've had enough experience

F C G

To differentiate between a heart of gold

Am

And what you cradle in your gentle arms

F C G

Can you not recognize a soul already sold

Am

How do I save you from the things I've been

F C G

I can't deny the past, it's written on my face

Am

How do I save you from the mess you're in

F

C

G

When I can't make you leave this torturous embrace

Chorus

Am F C G (x4)

Chorus (x2)

Am C F G
