

Willow

Emilie Autumn

**F#**

Willow, weep for me

**C#**

Bow your tallest tree

**G#m**

Down to the infamous hands

**B**

**C#**

Of someone no one understands

**F#**

I m not unique in this

**C#**

It s based on none but my mistake

**G#m**

At night I lie awake

**B**

**C#**

Thinking of all the hearts I d happily break

**G#m**

It s cruel, I know

**C#**

At least they tell me so

**G#m**

**F#**

Well someone lock me up and throw away the key

**B**

Because I m not ashamed, oh no

**C#**

Oh, willow

**F#**

That I only write love songs

**C#**

To those whom I don t love

**G#m**

I only reach for him

**B**

**C#**

Who s tied to someone else s glove

**F#**

That which I hold inside

**C#**

Which I admire and deride

**B**

**C#**

Which I protect and hide is yours

**F#**

Willow, weep for me

**C#**

Don t think I don t see

**G#m**

This life I m living in two

**B**

**C#**

But still it s something I must do

**F#**

I m not unique in this

**C#**

Nor am I special, sweet or kind

**G#m**

I court a thousand smiles

**B**

**C#**

Yet I keep my own to hide behind

**G#m**

It s cruel I know

**C#**

At least they tell me so

**G#m**

**F#**

Well someone lock me up and throw away the key

**B**

Because I m not ashamed, oh no

**C#**

Oh, willow

**F#**

That I only write love songs

**C#**

To those whom I don t love

**G#m**

I only reach for him

**B**

**C#**

Who s tied to someone else s glove

**F#**

That which I hold inside

**C#**

Which I admire and deride

**B**

**C#**

Which I protect and hide is yours

**G#m**

**F#**

Slander and dissention

**C#**

**G#m**

They re parlour games to me

**F#**

**C#**

Papers overrun with lies too mad to mention

**G#m**

**F#**

You say they never hurt you

**C#**

**G#m**

No consequence, I m happy

**F#**

We re much too far above it all

**C#**

**G#m**

But oh no, that s not true

**Ebm**

These wicked pastimes take their toll

**G#m**

These tyrant vices break your soul

**Ebm**

Deliver me from all I am

**F#**

And all I never want to be

**G#m**

I love you (Oh willow, willow, willow)

**C#**

Doubt me not

**B**

**Eb**

Rewrite this plot for all to see

**F#**

And I only write love songs

**C#**

To those whom I don t love

**G#m**

I only reach for him

**B**

**C#**

Who s tied to someone else s glove

**F#**

That which I hold inside

**C#**

Which I admire and deride

**B**

**C#**

Which I protect and hide is yours

**G#m**

**F#**

**C#**

**G#m**

Bend your branches to the ground and hold me close

**F#**

**C#**

**G#m**

Let me harmonize with all thatâ€™s good in you

**F#**

**C#**

Share your sympathy and weep for me

**G#m**

Oh, willow, heal the hearts I ve broken

**B**

**C#**

Make me pure and start my song anew

**F# C# G#m B C#**

**F#**

For I only write love songs

**C#**

To those whom I don t love

**G#m**

I only reach for him

**B**

**C#**

Who s tied to someone else s glove

**F#**

That which I hold inside

**C#**

Which I admire and deride

**B**

**C#**

Which I protect and hide is yours

**F#**

Is yours, is yours
