It s cruel, I know

At least they tell me so

Well someone lock me up and throw away the key

Oh, willow

Papers overrun with lies too mad to mention

No consequence, I m happy

We re much too far above it all

E

Bm

But oh no, that s not true

F#m

These wicked pastimes take their toll

These tyrant vices break your soul

Deliver me from all I am

And all I never want to be

I love you (Oh willow, willow, willow)

E

Doubt me not
