(couplet 1)

```

          C                      Gm
Baby i m tired, i m tired of you
          Dm                      Bb
You never go where i want you to
          C                      Gm
Just like smoke just like wind
          Dm                      Bb
You escape to the big machine
          C                      Gm
I don t like what i see
          Dm                      Bb
Why don t you want to dance with me
          C                      Gm
At the end of the day
          Dm                      Bb
I will catch you anyway

```

(refrain)

```

          F                      Cm
In this world nothing s real
Eb                      Gm
All you see just happens
          F                      Cm
In your head just like a dream
Eb                      Gm
A very long night, don t get me wrong
          D                      Eb          G

```

This time i m here for you

C Gm Dm Bb C Gm Dm Fm

For you

(couplet 2)

Baby please let me in

I can swear my hands are clean

You can fight but you can t win

Cause you belong to the big machine

(refrain)

In this world nothing s real

All you see just happens in your head

Just like a dream

A very long night

Don t get me wrong

This time i m here for you

For you

C Eb Bb

Oh je sens toute ta peine

A Bb

Tu n en vois pas le bout

C Bb

Laisse-moi prendre ta place

A Bb C Gm Dm Bb

Ou j en deviendrai fou

Baby please let me in

I can swear my hands are clean
