

Flowers

Emilie Simon

I want to buy you flowers
it s such a shame you re a boy
but when you are not a girl
nobody buys you flowers

I want to buy you flowers
and now I m standing in the shop
I must confess I wonder
if you will like my flowers

You are so sweet and I m so alone
oh darling please
tell me you re the one
I ll buy you flowers
I ll buy you flow..ers
like no other girl did before

You were so sweet and I was in love
oh darling don t tell me
you found another girl
forget the flowers
because the flow..ers
