

## Never Play

### Emily and The Woods

<http://www.emilyandthewoods.com/>

I fell in love with this song, but couldn't find the chords. So I watched her playing in live, and did my best to figure out what she was playing. This is my first time, so if anyone has corrections let me know!

Capo 5

The pattern is plucking the strings: a d g b g d a (x2 for each chord)  
She also adds in an open d string, then hammer on to it at the end of the pattern

when she plays C.

**Am** **C**  
Never play by the stairs, youâ€™re bound to fall down,  
**Am** **C**  
Never play by the hillside, might slip and break your crown  
**Am** **C**  
Never play by the fire, itâ€™s a danger to your health  
**Am** **C**  
Never play by the wall, might fall and break yourself.  
**Am**  
Ah Ah Ah,  
**C**  
Ah Ahhh,  
**Am**  
Ahhhhh,  
**C**  
Ah Ahhâ€|  
**Am** **C**  
Never play by the river, you might tumble in and drown,  
**Am** **C**  
Never play by the field, get filthy, dirty and brown,  
**Am** **C**  
Never play by yourself, itâ€™s a danger to be alone,  
**Am** **C**  
Never stray too far away, itâ€™s not safe outside of home.  
**Am**  
Ah Ah Ah,  
**C**  
Ah Ahhh,  
**Am**  
Ahhhhh,  
**C**  
Ah Ahhâ€|  
**Am** **C**  
I didnâ€™t ask to be born,  
**Am** **C**  
And I donâ€™t think Iâ€™ll ask to die.

**Am** **C**  
I didnâ€™t ask for the ground beneath my feet, I

**Am** **C**  
Didnâ€™t ask for the sky.

**Am** **C**  
All that I ask, my darling,

**Am** **C**  
All that I really ask of you,

**Am** **C**  
All that I ask, my darling,

**Am** **C**  
Is that you stay here with me.
