

## Vanilla Sundae

Emily Burns

[Verse 1: Emily Burns]

**E**

Sunlight on the bed sheets

**Bm**

Your eyes looking heavy

**A**

Shit shows on the telly

**Am**

But we don't mind, we don't mind at all

**E**

Go halves on a whole piece

**Bm**

Sweet taste, strawberry

**A**

No need for us to get ready

**Am**

Cause we treat time like a waterfall

[Pre-Chorus 1: Emily Burns]

**E**

But now I'm dreading every weekend

**Bm**

Instead you're giving me the feeling

**A**

That I may never find another like you

[Chorus: Emily Burns]

**E**

**Bm**

I just need one more vanilla Sunday with you

**A**

**Am**

When we got nothing to do but watch the day go by

**E**

**Bm**

So tell me, did you want one more vanilla Sunday with me?

**A**

Then we can call it history

**Am**

If that's what you really want

[Verse 2: Olivia Nelson]

**E**

Skies grey in the morning

**Bm**

Eyes red, tears are pouring

**A**

Blueberry Monday is calling

**Am**

So many things that I have to do

**E**

It s stormy weather

**Bm**

I can t forget ya

**A**

**Am**

I tried, know that I tried

[Pre-Chorus 2: Olivia Nelson]

**E**

So aren t you missing all the whispers?

**Bm**

You know you always made me shiver

**A**

**Am**

But now the summer s never felt so cold

[Chorus: Emily Burns]

**E**

**Bm**

I just need one more vanilla Sunday with you

**A**

**Am**

When we got nothing to do but watch the day go by

**E**

**Bm**

So tell me, did you want one more vanilla Sunday with me?

**A**

Then we can call it history

**Am**

If that s what you really want

[Bridge: Emily Burns & Olivia Nelson]

**C#m B A**

Let s talk about it

**C#m B A**

Come, let s talk about it now, girl

I can t live without it

**C#m B A**

Please don t make me live without it, girl

Don t wanna try another flavour, I want you

**C#m B A**

Cause I just need

I just really need one more

**C#m B A**

(I need, I need)

Sweet vanilla Sunday

[Chorus: Emily Burns & Olivia Nelson]

**E** **Bm**  
I just need one more vanilla Sunday with you  
**A** **Am**  
When we got nothing to do but watch the day go by  
**E** **Bm**  
So tell me, did you want one more vanilla Sunday with me?  
**A**  
Then we can call it history  
**Am**  
If that s what you really want
