I feel fine
C C7 F7

When I walk down the street
I feel the sun on my feet
And the windâ€™s blowing songs through my head
I feel Iâ€™ve been here before
Feel that nothingâ€™s a bore
And Iâ€™m digging the words that Iâ€™ve read
Everyone else could be rushing
But Iâ€™m taking my time
Iâ€™d rather watch the day unwind

And I feel fine

Iâ€™ve got no stress about the future
Got no worries at all
Got no ties to my possessions
Theyâ€™ll make me crumble and fall
Ainâ€™t gonna bind me down
Because Iâ€™ve found something better
To transcend it all

And I feel fine
