**Am7**

Why don't we dance just a little

**Dm7**

Dance with me

**G7**

We'll put our politics aside

**C7**

And set our worries free

**Am7**

Baby, the day's moving slowly

**Dm7**

And so are we

**G7**

Let's just float here for a while

We'll lose track of time

But why should we mind

What do we need time for

When we've got the world

You know the clock stops

When we're feeling this free

We'll chill the day away you and me.

**Am7 Dm7 G7 C7**

We'll take it easy

We've got to hit the park

Before it gets dark

Because the best things happen at Grapevine Springs

Youâ€™ve got the bongos  
Iâ€™ve got the guitars  
Weâ€™ll get some reggae for the way  
And weâ€™ll jump in the car

**Am7**

Weâ€™ll set our worries free

**E7**

As the sun sets and the

**Am7**

evening breeze sets in

**E7**

**F7**

Thereâ€™s nothing troubling our minds

**F#7 G7**

As we roll with the times

Weâ€™ll take it easy
