

Expecting To Fly

Emily Haines

Expecting To Fly by Buffalo Springfield as played by Emily Haines

D **Am**
There you stood on the edge of your feather

G **A**
Expecting to fly

D **Am**
While I left, I wondered whether

G **A D**
I could wave goodbye

G **C**
Knowin that you d gone

Dm **G**
By the summer it was healing

C **F**
We had said goodbye

Dm **G**
All the years we d spent with feeling

C **F**
Ended with a cry

F **Em** **Dm**
Babe, ended with a cry

F **Em** **Dm D**
Babe, ended with a cry

D **Am**
I tried so hard to stand

G **A**
As I stumbled and fell to the ground

D **Am**
So hard to laugh as I fumbled

G **A D**
And reached for the love I found

G **C**
Knowin it was gone

Dm **G**
If I never lived without you

C **Dm**
Now you know I d die

G
If I never said I loved you

C **Dm**
Now you know I d try

F **Em** **Dm**
Babe, now you know I d try
F **Em** **Dm**
Babe, now you know I d try
Em
Babe

I looked at the other tabs, but I wasn't exactly satisfied by all the chords, so I watched Emily play and came up with these ones. I play this song on the piano and it sounds good to me, I hope it sounds good to you too.
