Forgive And Forget
Emily Metz

Here s the chords to Forgive and Forget!
capo 7

G#, **Eb**, **Fm**, **C#add9** x2

```
   G#          Eb              Fm     C#add9
I know we fixed everything,
        G#                              Eb          Fm       C#add9
but I know right now things will never be the same,
     G#          Eb      Fm    C#add9
no matter how hard I try,
       G#          Eb           Fm       C#add9 (pause)
it always hurts saying your name,
           G#          Eb        Fm      C#add9
I wish I knew your point of view,
              G#                  Eb          Fm    C#add9
and I wish I knew what it was like for you,
             G#             Eb                   Fm    C#add9
and I wanna know if you wanna go back to that day,
      G#      Eb      Fm     C#add9
and change everything,
```

```
chorus:
           G#
Now I m sitting in my room,
   Eb
three months later,
    Fm                          C#add9
recalling everything like it was yesterday,
        G#                     Eb
and I wonder if there s a way to make it better,
  Fm             C#add9
forgive and forget, all of it,
     G#                    Eb
and even though we talk, it doesn t mean nothing,
Fm                    C#add9
I want it all to be the same again,
        G#            Eb           Fm    C#add9 (strum once)
and we need to put it all behind us
             G#      Eb    Fm    C#add9
forgive and forget, oh, oh
             G#      Eb    Fm    C#add9
forgive and forget, oh, oh
```

```
  G#          Eb                Fm                    C#add9
I go back through our old conversations, missing them like crazy,
```

```
       G#              Eb              Fm              C#add9
I remember how they made me laugh, I want it back that way,
       G#         Eb              Fm         C#add9
I remember, we used to stay up talking to you at night,
       G#         Eb                Fm       C#add9
but now we haven t even talked in a long, long while
```

Repeat chorus

```
G#     Eb    Fm(strum once)
Oh, Oh, Oh
```
