

Blue Sky
Emily West

Capo: 5th

G **D**
So your conscience finally hit you
C
And youre feeling guilty
G **D**
And youre wishing I was there
G **D**
So you wanna say youre sorry
C **G** **D**
Well please forgive me if Im too gone to care
Em **C**
You can take back your goodbyes
Em **C**
Wipe off those sad eyes
G **D** **C**
Cause Ive got some tears of my own

Cadd9 **G** **D-Em**
Weather man says its gonna rain tonight
Cadd9 **G** **D**
The kind of storm where the basement floods and you lose the lights
C **D** **Em C**
Should have thought of that before
G **D** **G**
Cause Im not your blue sky anymore

G **D** **C**
So you heard the pitter patter of a lost heart beating
G **D**
And learned what it was for
G **D** **C**
So you made a list of shoulders that youd be needing
G **D**
Well mine arent yours anymore
Em **C**
Come on show me your temper
Em **C**
Be the man I remember
G **C**
So I wont forget what youve done

Cadd9 **G** **D-Em**

Weather man says its gonna rain tonight

Cadd9 **G** **D**

The kind of storm where the basement floods and you lose the lights

C **D** **Em C**

Should have thought of that before

G **D** **G**

Cause Im not your blue sky anymore

Em **C**

Dont wanna be that blue sky

G **D** **G**

Im not your blue sky anymore
