

Blue Sky
Emily West

Capo: 5th

F# **C#**
So your conscience finally hit you
B
And youre feeling guilty
F# **C#**
And youre wishing I was there
F# **C#**
So you wanna say youre sorry
B **F#** **C#**
Well please forgive me if Im too gone to care
Ebm **B**
You can take back your goodbyes
Ebm **B**
Wipe off those sad eyes
F# **C#** **B**
Cause Ive got some tears of my own

Badd9 **F#** **C#-Ebm**
Weather man says its gonna rain tonight
Badd9 **F#** **C#**
The kind of storm where the basement floods and you lose the lights
B **C#** **Ebm B**
Should have thought of that before
F# **C#** **F#**
Cause Im not your blue sky anymore

F# **C#** **B**
So you heard the pitter patter of a lost heart beating
F# **C#**
And learned what it was for
F# **C#** **B**
So you made a list of shoulders that youd be needing
F# **C#**
Well mine arent yours anymore
Ebm **B**
Come on show me your temper
Ebm **B**
Be the man I remember
F# **B**
So I wont forget what youve done

Badd9 **F#** **C#-Ebm**

Weather man says its gonna rain tonight

Badd9 **F#** **C#**

The kind of storm where the basement floods and you lose the lights

B **C#** **Ebm B**

Should have thought of that before

F# **C#** **F#**

Cause Im not your blue sky anymore

Ebm **B**

Dont wanna be that blue sky

F# **C#** **F#**

Im not your blue sky anymore
