

Blue Sky
Emily West

Capo: 5th

A **E**
So your conscience finally hit you
D
And youre feeling guilty
A **E**
And youre wishing I was there
A **E**
So you wanna say youre sorry
D **A** **E**
Well please forgive me if Im too gone to care
F#m **D**
You can take back your goodbyes
F#m **D**
Wipe off those sad eyes
A **E** **D**
Cause Ive got some tears of my own

Dadd9 **A** **E-F#m**
Weather man says its gonna rain tonight
Dadd9 **A** **E**
The kind of storm where the basement floods and you lose the lights
D **E** **F#m D**
Should have thought of that before
A **E** **A**
Cause Im not your blue sky anymore

A **E** **D**
So you heard the pitter patter of a lost heart beating
A **E**
And learned what it was for
A **E** **D**
So you made a list of shoulders that youd be needing
A **E**
Well mine arent yours anymore
F#m **D**
Come on show me your temper
F#m **D**
Be the man I remember
A **D**
So I wont forget what youve done

Dadd9 **A** **E-F#m**

Weather man says its gonna rain tonight

Dadd9 **A** **E**

The kind of storm where the basement floods and you lose the lights

D **E** **F#m D**

Should have thought of that before

A **E** **A**

Cause Im not your blue sky anymore

F#m **D**

Dont wanna be that blue sky

A **E** **A**

Im not your blue sky anymore
