

Rom Drom

Emily's Army

This song is played in barre chords,
but to make life easier, I put it in to open chords
...you re welcome. Unless you were looking for it in barre chords,
in which case, sorry.

This is an acoustic version based from this video.

I am sure that it ll work for the original in any case.

I walked from here to tenth,

And it happened through the fence.

D C
The list ain t cheap,

D G
And he s paying for the whole bay area

D C

D G
How am I supposed to think

D C
When he s got a backpack full of dank

D G
My head s spinning out,
D C
And my rep s going out the door

D G
And, no I can t imagine
D C
Feeling so liability clad

D G
The girl is in the picture,
D C
But the caption s looking sad

D C D G [x2]

D C
A boat load of detention,
D G
For a twenty sac of attention
D C
My head s messing up,
D G
And this face couldn t look more guilty

D C

D G
Always looking for something to eat
D C
To scrap some bank he ll kiss the feet
D G
And he ll dress to the beat
D C
Of whatever s trending now

D G
And, no I can t imagine
D C
Feeling so liability clad

D G
The girl is in the picture,
D C
But the caption s looking sad

D C D G [x2]

D C D G
Escape to the fallen right,

D C D G
Cause it s dismissed and there s no fight

D C D G
Hell to the liar days

D C D G
Cause they re done for

D C D G
But the list ain t gone

D G

And, no I can t imagine

D C

Feeling so liability clad

D G

The girl is in the picture,

D C

But the caption s looking sad

D C D G [x4]
