Eminem

So, I put this up under Rihanna as the artist originally and now I m putting it up with as the artist. I absolutly (lol can t spell) LOVE this song...way better than Part 1 and hope you enjoy it too :D You can use a capo if you wish but it all depends on your voice :D

Em **G** **C** **D**
On the first page of our story, the future seems so bright.

Em **G** **C**
D
And this thing turned out so evil, I donâ€™t know why Iâ€™m still surprised.

Em **G** **C**
D
Even angels have their wicked schemes and you take death to new extremes.

Em **G** **C** **D**
But youâ€™ll always be my hero, even though you lost your mind.

CHORUS:

Em **G**
Just gonna stand there and watch me burn,
 C **D**
But thatâ€™s alright because I like the way it hurts.

Em **G**
Just gonna stand there and hear me cry,
 C **D**

G
But thatâ€™s alright because I love the way you lie, I love the way you lie.
 C **D**
I love the way you lie.

it basically just goes on like that for the rest of the song :D
