Verse 1:

F#m - Dsus2 - A - E (You can use the POWER CHORDS for this part)

I can t tell you what it really is I can only tell you what it feels like  
And right now there s a steel knife In my windpipe  
I can t breathe But I still fight While I can fight  
As long as the wrong feels right It s like I m in flight  
High of a love Drunk from the hate  
It s like I m huffing paint And I love it the more that I suffer, I suffocate  
And right before im about to drown She resuscitates me  
She fucking hates me And I love it - Wait!  
Where you going - I m leaving you  
No you ain t, Come back, We re running right back - Here we go again  
It s so insane Cause when it s going good It s going great  
I m Superman With the wind in his bag She s Lois Lane  
But when it s bad It s awful I feel so ashamed  
I snap Who s that dude I don t even know his name  
I laid hands on her I ll never stoop so low again

I guess I don't know my own strength

Chorus:

**F#m**

Just gonna stand there

**Dsus2**

And watch me burn

**A**

But that's alright

**E**

Because I like the way it hurts

**F#m**

Just gonna stand there

**Dsus2**

And hear me cry

But that's alright

**E**

Because I love the way you lie

**A**

**E**

I love the way you lie

Verse 2:

You ever love somebody so much You can barely breathe When you're with them  
You meet And neither one of you Even know what hit 'em  
Got that warm fuzzy feeling Yeah them chills Used to get 'em  
Now you're getting fucking sick Of looking at 'em  
You swore you've never hit 'em Never do nothing to hurt 'em  
Now you're in each other's face  
Spewing venom And these words When you spit 'em  
You push pull each other's hair Scratch, claw, bit 'em  
Throw 'em down Pin 'em So lost in the moments When you're in 'em  
It's the rage that took over It controls you both  
So they say it's best To go your separate ways  
Guess that they don't know ya Cause today  
That was yesterday Yesterday is over  
It's a different day Sound like broken records Playin' over  
But you promised her Next time you'll show restraint  
You don't get another chance Life is no Nintendo game  
But you lied again Now you get to watch her leave Out the window  
Guess that's why they call it window pane

Chorus:

**F#m**

Just gonna stand there

**Dsus2**

And watch me burn

**A**

But that s alright

**E**

Because I like the way it hurts

**F#m**

Just gonna stand there

**Dsus2**

And hear me cry

**A**

But that s alright

**E**

Because I love the way you lie

**F#m**

I love the way you lie

**Dsus2**

**A**

**E**

I love the way you lie

Verse 3:

Now I know we said things Did things That we didn t mean

And we fall back Into the same patterns - Same routine

But your temper s just as bad As mine is You re the same as me

But when it comes to love You re just as blinded

Baby please come back It wasn t you Baby it was me

Maybe our relationship Isn t as crazy as it seems

Maybe that s what happens When a tornado meets a volcano

All I know is I love you too much To walk away though

Come inside Pick up your bags off the sidewalk

Don t you hear sincerity In my voice when I talk

Told you this is my fault Look me in the eyeball

Next time I m pissed I ll aim my fist At the dry wall

Next time There will be no next time I apologize

Even though I know it s lies

I m tired of the games I just want her back I know I m a liar

If she ever tries to fucking leave again

I mma tie her to the bed And set the house on fire

Chorus:

**F#m**

Just gonna stand there

**Dsus2**

And watch me burn

**A**

But that s alright

**E**

Because I like the way it hurts

**F#m**

Just gonna stand there

**Dsus2**

And hear me cry

**A**

But that s alright

**E**

Because I love the way you lie

**F#m**
