

## Space Bound

Eminem

[Verse 1]

[Dm]We touch, I feel a rush, we clutch, it isnâ€™t much  
But itâ€™s [F]enough to make me wonder whatâ€™s in store for us  
Itâ€™s lust, itâ€™s [C]torturous, you must be a sorceress, cuz you just  
Did the [G]impossible; gained my trust, donâ€™t play games itâ€™ll be dangerous  
If you [Dm]fuck me over, cuz if I get burnt  
Ima show you what itâ€™s like to [F]hurt  
Cuz I been treated like dirt before ya  
And love is [C]evil, spell it backwards Iâ€™ll show ya (EVOL)  
Nobody [Dm]knows me, Iâ€™m cold, walk down this road all alone  
Itâ€™s no oneâ€™s [F]ault but my own. itâ€™s the path Iâ€™ve chosen to go  
Frozen as [C]snow, I show no emotion whatsoever so  
Donâ€™t ask me [G]why I have love for these moâ€™fuckinâ€™ hoes  
Blood suckinâ€™ [Dm]Succubus , what the fuck is up with this  
Iâ€™ve tried in this [F]department but I ainâ€™t have no luck with this  
It sucks, but itâ€™s [C]exactly what I thought it would be like tryna start over  
I got a [G]hole in my heart, some kind of emotional roller coaster  
Something I wonâ€™t go on so you toy with my emotions so itâ€™s over  
Itâ€™s like an explosion, everytime I hold ya I wasnâ€™t joking when I told ya  
You take my breath away, youâ€™re a supernova, and Immaâ€™|

And it just continues the same way throughout the chorus and other verses, not too sure

holding the G at the end, but i can t find anything else at this point that sounds better..
