

Fake Friends

Emma Blackery

[Intro]

F

[Verse 1]

F

I got your number, in many ways

F

You like the drama, so what you saying now?

Bb This game we re playing now, where we pretend that we re good? **F**

F

You re not forgiven for what you did

F

But out in public, we re in the same clique

Bb Think I can work with this, I got you understood **F**

[Hook]

Bb Just know your role and we ll be fake friends **F**

Bb Just know your role and we ll be fake friends **F**

[Verse 2]

F

I know the story that no one s seen

F

But I m not innocent, so let s not come clean

Bb

Let s play respectfully

F

We ain t got nothing to say

F

And I still stand by the things I said

F

You may trick others, but you re not in my head

Bb This rivalry ain t dead, unless we re up on a stage **F**

[Hook]

Bb Just know your role and we ll be fake friends **F**

Bb Just know your role and we ll be fake friends **F**

Bb **F**

Just know your role and we ll be fake friends

Bb **F**

Just know your role and we ll be fake friends

[Bridge]

F

You don t trust me and you ve got no reason to (to, to, to)

F

I ve got a panic button I don t wanna press on you

Gm **F** **Bb** **F**

You don t trust me and I don t trust you (don t trust you, trust you)

Gm **F**

You ve got a panic button, let s just coexist

Bb **C**

No one has to know that we re on each other s lists

[Hook]

Bb **F**

Know your role and we ll be fake friends

Bb **F**

Just know your role and we ll be fake friends

Bb **F**

Just know your role and we ll be fake friends

F

(You don t trust me and you ve got no reason to)

Bb **F**

Just know your role and we ll be fake friends

F

(You don t trust me and I don t trust you)

[Outro]
