

**Fixation**

**Emma Blackery**

Hi! 2nd attempt of putting chords to the song. If you listen to the song, there s a picking pattern after the first bit. I m not very good at writing picking patterns down but I ll try my best :P

CAPO ON 5th FRET

**G** **C** **D**  
I couldn t feel any more trapped than already I do

**G** **C** **D**  
Stuck inside, stuck inside this state of mind with you

**Am** **D**  
And yet you only smile like I m your friend

**Am** **D**  
For now my happiness depends on how well I pretend

CHORUS

**G**  
I know I m bound to this fixation for as long as I stay here

**C (or Cadd9 )**  
Sometimes I wish I could just leave

**D**  
So you could come running after me

**G**  
And the perfect world we re after always seems to disappear

**C (or Cadd9 )**  
I wish that we could find a way

**D**  
To make it out of here

PICKING PATTERN:

```

E]-----|
B|--3---3---3---3---3---3---3---3---3---|
G]-0-0-0-0-0-0-0-0-0-0-0-0-2-2-2-2-|
D]-----0---0---|
A]-----3---3-----|
E]3---3---3---3-----|

```

**G**  
Can we forget that we are bound by all these

**C (or Cadd9 )**  
ropes and strings

**D**  
That tie us up like this

**G**  
And when we wake up we can go back to the world that

**C** (or **Cadd9**)

only wants us

**D**

To be friends

**Am**

**D**

And I hope that when I sing you're looking up at me

**Am**

**D**

So you can see my eyes are filled with hope for what could be

CHORUS

**Am**

**D**

But that would mean that all we've done would simply go to waste

**Am**

**D**

I'm trying to convince myself we're better off this way

**Am**

**D**

Because you only smile like I'm your friend

**Am**

I wish someone would shake this out of me

**D**

Or shake it into you

CHORUS (Without picking patten - just one strum)

**Am**

**D**

And yet you only smile like I'm your friend

**Am**

**D**

**D**

**D**

For now my happiness depends on how well I pretend

In the recording at the end, she keeps strumming the D chord until it fades.
