

Icarus

Emma Blackery

CAPO ON 4

[Verse 1]

G
You've got your eyes closed, such a temper
Em
Been so long that you can't remember
Am **D**
How it started, how they took you down
G
You got your wings up, now they're laughing
Em
You're the food at the feast that that they are having
Am **D**
And you know running away doesn't prove them wrong

[Pre-Chorus 1]

C
Well have you tried apologizing?
Em
Do you know the mess you've made?
Am
You believe you hold the answers
D
But your feathers are all frayed

[Chorus]

G
Oh well, Icarus, Icarus
Cadd9
Why you so serious, serious?
C
You know you've gotta let it go
D
Cause you're flying too close

[Verse 2]

G
There in your ego lies your weakness
Em
Wrap it tightly and keep it at your chest
Am **D**
You are only the front that you harness

[Pre-Chorus 2]

C

Cause silence is so underrated

Em

Their voices are a loaded gun

Am

You ll be swallowed up by the sun

D

Cause you re trying to be someone

[Chorus]

G

Oh well, Icarus, Icarus

Cadd9

Why you so serious, serious?

C

You know you ve gotta let it go

D

Cause you re flying too close

G

Oh well, Icarus, Icarus

Cadd9

You re being so dangerous, dangerous

C

You know the higher you fly

D

The less you can hide

[Bridge]

C

Oh oh oh oh

Oh oh oh oh

D

Oh oh oh oh

Oh oh oh oh

C

Oh oh oh oh

Oh oh oh oh

D

Oh oh oh oh

Oh oh oh oh

[Pre-Chorus 3]

C

Cause they re all waiting in the ocean

Em

With open arms to drag you down

Am

So have you tried apologizing

D

Before you start to drown?

[Chorus]

G

Oh well, Icarus, Icarus

Cadd9

Why you so serious, serious?

C

You know you ve gotta let it go

D

Cause you re flying too close

G

Oh well, Icarus, Icarus

Cadd9

You re being so dangerous, dangerous

C

You know the higher you fly

D

The less you can hide
