Emma Blackery

[Intro]

B F# G#m E

[Verse 1]

B I remember when you stole my heart **F#**
Then you handed me the map **G#m**
To where you buried it **E**
So I could run and get it back, back, back, back
B I wanna know how you re doin **F#**
But I don t really want to ask **G#m**
In case you re happier now
And I don t think that I could handle that, handle that **E**

[Pre-Chorus]

G#m There used to be a time
F# When you were my only thought, but I
E There used to be a time
F# Now I barely think of you at all

[Chorus]

B Sometimes I miss your touch and the
F# Whispers that made me blush, but I
G#m I guess I don t miss love if that s what I felt with you **F#**
B So far from what we knew, but I
F# Did what I had to do, now I
G#m I hate the colour blue **F#** cause that s what I felt with you

F#

Your voice was my favourite song

B

But with a blink of an eye

F#

My favourite colour was all a lie

Don't recognise what I see

F#

Your lips now strangers to me

E

What do you want me to say?

F#

I guess I've said it all anyway

B F# G#m F#
