**Cm** **D#**  
love isn't funny when it is burning inside  
**G#m**  
when all you think of is how to get through the night  
**Cm** **D#**  
and when you want it, it's just a game that you play  
**G#m**  
and when you get it, they re gonna take it away

**B** **C#** **B** **C#**  
maybe it's nothing maybe it's all just in my mind  
**B** **C#** **B** **C#**  
maybe I'm foolish maybe it's just a waste of time

**B** **C#**  
but I don't think so  
**D#**  
maybe I definitely know  
**B** **C#**  
why do I keep fooling myself

**D#**  
why can't I let go  
**B** **C#** **D#**  
this is not like me but now I definitely see  
**F# B** **C#**  
that maybe - maybe - I'm in love

**B** **C#** **D#** **C#**  
ba da da da...  
**Cm** **D#**  
so if you want it you wanna come out to play  
**G#m**  
then you can have it cos he's got plans for the day  
**Cm** **D#**  
and if I want it there's no one out there for me  
**G#m**  
when you don't need it there's plenty fish in the sea

**B** **C#** **B** **C#**  
maybe it's nothing maybe it's all just in my mind  
**B** **C#** **B** **C#**  
maybe I'm foolish maybe it's just a waste of time

**B** **C#**  
but I don't think so  
**D#**  
maybe I definitely know

**B** **C#**  
why do I keep fooling myself  
**D#**  
why can't I let go  
**B** **C#** **D#**  
this is not like me but now I definitely see  
**F# B** **C#**  
that maybe - maybe - I`m in love  
  
**B** **C#** **D#** **C#**  
(instrumental) - ba da da da...

**B** **C#**  
but I don't think so  
**D#**  
maybe I definitely know  
**B** **C#**  
why do I keep fooling myself  
**D#**
