Music & Lyrics by Michael Doyle 1995 Emmaus Community (Dublin)

This song was on the albums Across the River (1995), and repeated in:
Weight, Trust Surrender, 10 years of Praise & Worship and Psalms Songs and Solitude

(2013) . all by Emmaus.

Artist s website is: <http://www.rojomusic.com/> (Current as of May 2013)

It has been very popular as a worship song in Ireland.

The typical accompaniment of this when led by Emmaus, is to use keyboards / Piano, and

not the Guitar... But a plucked guitar accompaniment works very well.

I transcribed this from memory. The author is my brother.
