

Across the Universe

Emmerson Nogueira

(John Lennon & Paul McCartney)

D **Bm**
Words are flying out
F#m
Like endless rain into a paper cup
Em
They slither while they pass
A7
They slip away across the universe
D **Bm**
Pools of sorrow waves of joy
F#m
Are drifting throught my open mind
Em **Gm**
possessing and caressing me

D
Jai guru deva om
A
Nothing s gonna change my world
G **D**
Nothing s gonna change my world
A
Nothing s gonna change my world
G **D**
Nothing s gonna change my world

Images of broken light
Which dance before me
Like a million eyes
That call me on and on
Across the universe

Thoughts meander like
A restless wind inside a letter box
They tumble blindly as they make their way
Across the universe

A
Jai guru deva om...

Sounds of laughter
Shades of earth
Are ringing through my open views

Em

Gm

Inciting and inviting me

Limitless undying love which shines
Around me like a million suns
It calls me on and on
Across the universe

Jai guru deva om...

Jai guru deva om, Jai guru deva om
