

Another Pot O Tea
Emmylou Harris

Another Pot 0 Tea

Chorus :

C# G# C#
Put on another pot o tea

G# F#
Cause I m in love with the Irish accent to your story
Bbm G# C#
And I need someone to help me.

G# C#
Well they say that now you don't talk straight
G# C#
And that of late it's been my lot to be afraid
F# C#
To remember you by anything
G# F#
But memories I already keep.

Chorus

It's harder when it takes so long to leave
The table where we all learned to laugh and learned to grieve
Over the pain that came so close to you
It comes so close to me today.
