

Here I Am

Emmylou Harris

Here I Am

E A E

I am standing by the river, I will be standing here forever

B A

Though you re on the other side my face you still can see

E D E

Why won t you look at me, Here I am, Here I am

I am searching thru the canyon, it is your name that I am calling

Though you re so far away I know you hear my plea

Why won t you answer me, Here I am

B

I am in the blood of your heart, the breath of your lung

A

Why do you run for cover,

B

You are from the dirt of the earth and the kiss of my mouth

A

B

I have always been your lover,

D

E

Here I am, Here I am

I am the promise never broken and my arms are ever open

In this harbor calm and still I will wait until

Until you come to me, Here I am
