

In His World

Emmylou Harris

In His World

F# C# G# C#
Every night I dream about him
F# C# G# C#
In my world of fantasy
F# C# G# Bbm G#
I pretend that we re together
F# C# G# Bbm G#
In his world there s a garden in the moonlight
F# C# G# Bbm G#
In his world there s a sweet and gentle breeze
F# C# G# Bbm G#
In his world, oh he tells me that he loves me
F# C# G#
That s where my heart wants to be

I saw a star falls from the heaven
I hope the wish I made comes true
I don t want to live without him
In his world I can see a new tomorrow
In his world where he gives his heart to me
In his world we will share this love together
That s where my heart wants to be

F Bbm F# G# C#
Why must I go on pretending, why can t I tell him how I feel
F Bbm D# G#
These sweet dreams are never ending and this loneliness is real
