

Seeing Double

Emmylou Harris

G7 **C**

Well I really had a ball last night

F **C**

I held all the pretty boys tight

I was feeling single seeing double

F

Wound up in a whole lotta trouble

C

But today I ll face the big fight

G7 **C**

But I really had a ball last night

When I came home from work this morning

F **C**

My baby was feeling low

And he told me what was on his mind

D7 **G7**

Then he told me where I could go

C

Well I didn t go where he told me to

F **C**

Cause the water was cold in the lake

F **C** **A7**

Now there s something fishy bout this whole deal

D7 **G7** **C**

I don t see where I made my mistake

Repeat #1

When I woke up this morning

F **C**

Like me the sun was high

Well I started walking the long way home

D7 **G7**

Just to think of an alibi

C

Well I couldn t think of a doggone thing

F **C**

That hadn t already been said

F **C** **A7**

So I guess I better just play it by ear

D7 **G7** **C**

Cause I m already dead

Repeat #1

But today I ll face the big fight

G7

C

But I really had a ball last night
