Wheels chords

Emmylou Harris 1975 (Chris Hillman/Gram Parsons)

Capo III

**A7**                    **D**   **D7**     **G**                    **D**  
We ve all got wheels to take ourselves away  
                     **Bm**                    **A**                    **G**   **A7**  
We ve got the telephones to say what we can t say  
                     **D**   **D7**           **G**                    **D**  
We all got higher and higher every day  
     **G**           **D**               **A**                    **D**  
So come on wheels, take this boy away

**Bm**   **A**               **D**  
We re not afraid to ride  
                 **Bm**   **A**               **G**  
We re not afraid to die  
                     **D**               **G**                    **D**  
So come on wheels take me home today  
**G**               **D**               **A**                    **A7**   **D**  
come on wheels take this boy away

break

**A7**                    **D**   **D7**     **G**                    **D**  
Now when I feel my time is almost up  
                     **Bm**                    **A**                    **G**   **A7**  
And destiny is in my right hand  
                     **D**   **D7**           **G**                    **D**  
I ll turn to him who made my faith so strong  
**G**               **D**               **A**                    **D**  
Come on wheels make this boy a man

**Bm**   **A**               **D**  
We re not afraid to ride  
                 **Bm**   **A**               **G**  
We re not afraid to die  
                     **D**               **G**                    **D**

So come on wheels take me home today

**G            D            A            A7    D**

come on wheels take this boy away

**G            D            A            A7    D        G    D**

come on wheels take this boy away    hey ayyy . . .
