

Dont Forget About Me

Emphatic

my first tab pretty sure its 100%
listen for the timing on the chord changes
key is E major

intro is played in these four chords couldnt really figure out the picking

C#m B G#m E

C#m B G#m E
I know time will come and try to take away these memories
C#m B G#m E
But no matter how far I go I won t forget
C#m B G#m E
I know I might not see some of these faces again
C#m B G#m E
Why do all good things have to end?

C#m B
I remember the first day when I saw your face
G#m E
You kept me on track

C#m
Now we re watching the years
B G#m E
As they disappear, looking back

C#m B G#m E
Don t forget about me, no matter what you do
C# B G#m E
Don t forget about me, I m always here for you
C#m B G#m E
Don t forget about what we had, our time here might be through
C#m B G#m E
Don t forget about me and I will always remember you

1 bar fill
C#m B G#m E

on the original track the rest of the song(exept the verse after the solo) is
played as power cords you can play it either way it sounds good both ways

C#m B G#m E
Some will stay and some will go, see how the next page begins
C#m B G#m E
But we ll always have this chapter, you and me
C#m B G#m E

I ve got my songs, there s no right or wrong, I ve just got to see

C#m B G#m E

Wherever you are, I hope you re listening

C#m B G#m E

Don t forget about me, no matter what you do
