

Put Down The Drink Emphatic

I ve been addicted to this song lately, so I ve been working on a Tab to do it acoustically.

I m a Tab-Newb so bare with me...

(The E at the end of the 2nd phrase is just for color, I don t think they actually play it, but it sounds nice every now and then).

4 chords...cake (**Em**, **G**, **D**, **C**)
