|-----|

```

Verse

Oh honey, I can feel that we re near it
Can you feel the world slowly moving?

Chorus

```

A          C#m          B
I know you know that I love you, All around the room
A          C#m          B
And I ll dream all night to touch you, The way I do
A          C#m          B
I know you know where I am, When we lose eyes
A          C#m  B  E
You can feel me more than I can. Just leave your life

```

Verse

Now honey you can trick me to feel right
I can t believe I know what you taste like

Chorus

Bridge

C#m

B

A

We were made of, we were made of blood (I don t know)
We were made of, we were made of blood (don t you know?)
We were made of, we were made of blood (I don t know)
We were made of, we were made of blood (don t you know?)
We were made of, we were made of blood (I don t know)
Don t you feel it? Do you feel it? I don t know
We were made of, we were made of blood (I don t know)
We were made of, we were made of blood (don t you know?)

End Chorus

I know you know that I love you
All around the room
And I ll dream all night to touch you
The way I do
