

**Birth**  
**Empyr**

Chords : Am : 002210  
C : 032010  
F : 133211  
G : 320033 or Dm: x02310

Am C  
It s time to build a new nation  
Am C  
This one is about to explode  
G Am  
I lost my mind and my ego  
F G  
I found my way in other s hopes  
Am  
But close to you it felt like home, like home

Am C Am C  
I lost my invitation to the funeral of love  
G Am  
I still believe but I still doubt.  
F G  
Beyond my window there are only  
Monkeys killing monkeys

Am C G  
Lovers, lovers let the river grow and ease the pain  
Am C G  
Never, never let them feed the crows in your head  
Am F  
I trusted you, will you trust me  
C G  
Even if your eyes start to bleed  
Am F  
I trusted you, will you trust me  
C G  
Even if your eyes, your eyes

S  
Am C  
Maybe this song could bring you back  
Am C  
Maybe or maybe not  
G Am  
You re my vaccine you re my disease  
F G  
Beyond my window there are only

Feelings killing feelings

**Am**                **C**                        **G**  
Lovers, lovers let the river grow and ease the pain  
**Am**    **C**                        **G**  
Never, never let them feed the crows in your head  
              **Am**                                        **F**  
I trusted you, will you trust me  
                      **C**                                **G**  
Even if your eyes start to bleed  
              **Am**                                        **F**  
I trusted you, will you trust me  
                      **C**                **G**  
Even if your eyes, your eyes

**Am**  
I lost my invitation  
**F**  
To the funeral of your love  
**C**  
I still believe I still doubt  
**G**  
I saw you through the window

**Am**  
I lost my invitation  
**F**  
To the funeral of your love  
**C**  
I still believe I still doubt  
**G**                        **Am**  
I saw you I saw you

**Am**                **C**                        **G**  
Lovers, lovers let the river grow and ease the pain  
**Am**    **C**                        **G**  
Never, never let them feed the crows in your head  
              **Am**                                        **F**  
I trusted you, will you trust me  
                      **C**                                **G**  
Even if your eyes start to bleed  
              **Am**                                        **F**  
I trusted you, will you trust me  
                      **C**                **G**  
Even if your eyes, your eyes
