

**This Life I Live**  
**Emu Music**

**C Gsus4 F C**

**Gsus4**

This life I live is not my own

**F Gsus4 C**

For my Redeemer paid the price

**C Gsus4**

He took it to be His alone

**F Gsus4 C**

To be His treasure and His prize

**Am F C**

The things of earth I leave behind

**Am F Gsus4**

To live in worship of my King

**Dm**

His is the right to rule my life

**F Gsus4 C**

Mine is the joy to live for Him

**Gsus4 F C**

**Gsus4**

I died to sin upon the cross

**F Gsus4 C**

I m bound to Jesus in His death

**C Gsus4**

The old is gone and now I must

**F Gsus4 C**

Rely on Him for every breath

**Am F C**

With every footstep that I tread

**Am F Gsus4**

What mysteries He has in store

**Dm**

I cannot know what lies ahead

**F Gsus4 C**

But know that He has gone before

**Gsus4 F C**

**Gsus4**

There is a voice that pierced the grave

**F Gsus4 C**

A power that rolled the stone away

**C Gsus4**

A sound of life, I know I m saved

**F Gsus4 C**

The voice of God has called my name

**Am F C**

So I will rise, and in the air

**Am F Gsus4**

Behold the glory of the King

**Dm**

I will not fear to meet Him there

**F Gsus4 C**

I know my life is hid with Him
