Make me a wish, make it just for me
Seal it with a kiss, on delivery
Just like Christmas eve, so impatiently waiting.
Surprise Surprise Surprise Surprise
Surprise Surprise Surprise Surprise
Show me a star, name it after me
Somewhere far away, another galaxy
Just like astronauts, so weightlessly waiting.

Surprise Surprise Surprise Surprise
Surprise Surprise Surprise Surprise

Later tonight, I ll keep on the light, light, light for you.

Make me a wish, make it just for me
Seal it with a kiss, as a mystery
Just like Christmas eve, so impatiently waiting.
