End of Green

[Verse 1]

Am **G**
There at the wild wind house
Em **F** **Am**
Tearing me down on the same old road
G
A needle inside my heart
Em **F** **Am**
This is the place where evil grows
G **Em**
The same old town the same old place
F **Am**
I m walking like a ghost
G
There is a room with a few
Em **F** **Am**
But outside the window it feels cold

Naana naana naana na na na na

Waiting for better days

Swallowing pills and feed my soul

Em **F** **Am**
Crossing the line and leave this town
G
Walking among the crowd
Em **F** **Am**
Walking alone like a ghost
