```
Goodnight Insomnia
End of Green
[Intro]
 Em C# D C#
[Verse 1]
  This city ain t made for us
                       C#
  Broken hearts, in love they trust
Em
               C#
   We re never coming back for more
          C#
More and more
 [Verse 2]
                  C#
                                          C#
\mathbf{Em}
                              D
  We re taking a last chance and doing a last dance
                              D
  We re never coming back for more more and more
[Chorus]
Em
           C#
  And we sleep the night away
In the morning it s not over
                          D
                                       C#
Can see the light of the day, we will have to stay here longer
And we please the night to stay
                                 C# D C#
                        Em
Everytime we feel the hunger
[Verse 3]
Em
                           C#
   Too close to care, too blind to see
D
                 C#
   This city is killing me
Em
                  C#
                                  D
                                                  C#
   You brought me up, you got me down down down
  [Verse 4]
                  C#
   We ll swallow nightmares
D
                C#
   Collecting nowheres
              C#
Em
   We re never coming back for more more and more
```

```
[Chorus]
   C#
And we sleep the night away
In the morning it s not over
                                  C#
Can see the light of the day, we will have to stay here longer
And we please the night to stay
                            C# D C#
Everytime we feel the hunger
[Instrumental]
Em C# D Em
[Chorus 2]
        C#
Em
And we sleep the night away
      C#
In the morning it s not over
                       D
                                  C#
Can see the light of the day, we will have to stay here longer
                          D#
And we please the night to stay
                Em C# D# C#
A darkness getting stronger
[Outro]
        Em
                  C#
And we go down to the river
And into the river we dive
    Em
               C# D
                               C#
We go down to the river we arrive
  Em
And we go down to the river
And into the river we dive
             C# D
Ohh down to the river we arrive
      Em
C#
Mhmm
```
