

**Like A Stranger**  
**End of Green**

[Intro]

**Am G Em**

[Verse 1]

**Am**                    **G**  
You can bury me  
                         **Em**

Like a stranger

**Am**                    **G**  
You can hurt me  
                         **Em**

I m your savior

**Am**                    **G**  
You can love me  
                         **Em**

I will hate you

**Am**                                    **G**  
If you need defense  
   **Em**

I will kill you

[Chorus]

**F**                                    **G**                    **Am**    **C** **Em**  
Why does it feel so cold

**F**                                    **G**                                    **Am**    **C** **Em**  
That s the way a sad man walks

**F**                                    **G**                                    **Am**    **C** **Em**  
Why does it feel so cruel

**F**                                    **G**                                    **Am**    **C** **Em**  
That s the way a sad man talks

[Verse 2]

**Am**                                    **G**  
You can count on me  
   **Em**

I m your failure

**Am**                                    **G**  
You re my sacrifice  
   **Em**

I blame you

**Am**                                    **G**  
You re my loneliness  
   **Em**

I m forsaken

**Am**                                    **G**                                    **Em**

I am nothing a lifeless piece

[Chorus]

**F**                    **G**            **Am**    **C** **Em**  
Why does it feel so cold

**F**                    **G**                            **Am**    **C** **Em**  
That s the way a sad man walks

**F**                    **G**            **Am**    **C** **Em**  
Why does it feel so cruel

**F**                    **G**                            **Am**    **C** **Em**  
That s the way a sad man talks

[Outro]

**F**                    **G**                            **Am**    **C** **Em**  
You can bury me like a stranger

**F G Am C Em**

**F G Am**
