So I will sing to sleep, after the loving
Dm
with a song I just wrote, yesterday,
G7
and I hope you can hear,
G7 **C** **Dm** **G**
What the words and the music has to say.
C
Its so hard, to explain, everything that I feeling,
Dm
Face to face, I just seem to run dry,
G7

G7 **C** **C7**
That the sound of your voice can make me high.
F **Em** **Dm** **G** **C** **Am**
Thanks for taking me, on a way trip to the sun,
Am **G7**
and thanks for turning me, into someone.
C
So I will sing you to sleep, after the lovin
Dm
I will brush back the hair, from your eyes,
