

California blue  
Engelbert Humperdinck

Working all day and the sun don t shine,  
trying to get by, and I m just killin time.  
I feel the rain fall the whole night through ,  
far away from you, California Blue.

(Chorus:)

California Blue, dreaming all alone,  
nothing else to do, California Blue.  
Everyday I pray I ll be on my way,  
saving love for you, California Blue.  
One sunny day I ll get back again,  
somehow, some way, but I don t know when.  
California Blue, California Blue.

Living my life with you on my mind,  
thinking of the things that I left far behind.  
It s been so long, doing all I can do,  
to get back to you, California Blue.

(Chorus)

Still missing you, California Blue.  
Still missing you, California Blue.  
Still missing you, California Blue.
