

California blue
Engelbert Humperdinck

Working all day and the sun don t shine,
trying to get by, and I m just killin time.
I feel the rain fall the whole night through ,
far away from you, California Blue.

(Chorus:)

California Blue, dreaming all alone,
nothing else to do, California Blue.
Everyday I pray I ll be on my way,
saving love for you, California Blue.
One sunny day I ll get back again,
somehow, some way, but I don t know when.
California Blue, California Blue.

Living my life with you on my mind,
thinking of the things that I left far behind.
It s been so long, doing all I can do,
to get back to you, California Blue.

(Chorus)

Still missing you, California Blue.
Still missing you, California Blue.
Still missing you, California Blue.
