

Winter world of love
Engelbert Humperdinck

Verse: 1

C **Dm /G**
My love, the days are colder,
C **G**
So let me take your hand, and lead you through a snowwhite land,
C **G**
oh oh, oh oh,
C **Dm /G**
My love, the year is older,
C **G**
So let me hold you tight, and while away this winter night,
C **G**
oh oh, oh oh.
Dm **G** **C** **Dm** **G** **C**
I see the fire light in your eyes, Come kiss me now before it dies.

G **D7** **G** **C**
We ll find a winter world of love,
C **Dm**
Cos (for) love is warmer in December,
G **G7** **C**
My darling stay here in my arms, Til summer comes along,
G **D7** **G** **C**
And in the winter world of love,
C **Dm**
You see, we always will remember,
G **C**
That as snow lay on the ground, We ve found our winter world of love.

Verse: 2

C **Dm /G**
Because the nights are longer,
C **G**
We ll have the time to say such tender things before each day,
C **G**
oh oh, oh oh,
C **Dm /G**
And then when love is stronger,
C **G**
perhaps you ll give your heart and promise me we ll never part,
C **G**
oh no, oh no.
Dm **C6** **Dm** **C6**
And at the end of every year, I ll be so glad to have you near.
