

**Coming Home**

**Enrique Iglesias**

Enrique Iglesias "Coming Home"  
Tabbed by - Angelo Kurukulasuriya

I have given the chords of the 1st verse and the Chorus. The same chords are played throughout the rest of the song. Any corrections??Please feel free to notify me. Enjoy!!!

**F#....G#....Bbm....F#**

**F#** **G#**  
Sometimes I feel I m going nowhere  
**Bbm** **F#**  
I m moving but I just can t find the way  
**F#** **G#**  
Surrounded by a million faces  
**Bbn** **F#**  
They all say, they might be friends  
**F#** **G#**  
Take another drink to hide the sorrow  
**Bbm** **F#**  
But come the morning, nothing s changed  
**F#** **G#**  
The concrete skies are rushing by me  
**Bbm** **F#**  
This is wrong, it s getting on

[Chorus]

**F#** **G#**  
I don t wanna wait until it s over  
**C#** **Fm** **Bbm**  
I don t wanna wait until it s gone  
**F#** **G#**  
I can t wait until tomorrow  
**C#** **Fm** **Bbm**  
Cause I been waiting for so long  
**G#** **F#**  
So baby I m coming home, oh oh  
**G#** **C#**  
Baby I m coming home

I heard the radio play your favorite song  
Made me think of all the things we used to do  
There s so much we used to talk about  
And now I can t, even when I say I miss you, no

[Chorus]

I don t wanna wait until it s over  
I don t wanna wait until it s gone

I can t wait until tomorrow, no  
Cause I been waiting for so long  
So baby I m coming home, oh oh  
Baby I m coming home

So turn around, just turn around

I don t wanna wait until it s over  
I don t wanna wait until it s gone, oh no  
I can t wait until tomorrow  
Cause I been waiting for so long  
So baby I m coming home, oh oh  
Baby I m coming home

Baby I m coming home, oh oh  
Baby I m coming home...
