 Bbm
Could I hold you for a lifetime
 Ebm

 Ab **F#**
Could I have this night to share this night together
 Bbm
Could I hold you close beside me
 Ebm
Could I hold you for all time
 F **Bbm** **Ab** **F#** **F**
Could I could I have this kiss forever
 F **Bbm** **Ab** **F#** **F**
Could I could I have this kiss forever, forever

Over and over I`ve dreamed of this night
Now you`re here by my side
You are next to me
I want to hold you and touch you and taste you
And make you want no one but me
I wish that this kiss could never end
Oh baby please

(refrão)
I don`t want any night to go by
Without you by my side
I just want all my days
Spent being next to you
Lived for just loving you
And baby, oh by the way
